Marine Claims Services

The Marine Division of McLarens Canada has grown over the years by providing quality service to clients. Our offices are strategically located across the country including major ports. All offices are staffed by highly qualified surveyors, and/or licensed adjusters specializing in Marine related matters.

We are committed to prompt on-site surveys, collecting critical information, reporting it accurately and with expert assessment.

McLarens Canada has the independence, integrity and dependability on which the transportation industry has relied for many years. Our vast range of services include complete cargo and private pleasurecraft project management through to loss adjustment including recovery. We place a great deal of emphasis on loss prevention and have conducted numerous seminars on the subject.

Our Recovery Department headquartered in Toronto, Ontario, is made up of aggressive, conscientious, dedicated personnel skilled in the knowledge of subrogation, negligence and contract issues.

McLarens Canada provides claims handling and risk management services to local, national and international markets. We serve our clients from 68 offices in Canada. We are part of the McLarens global team with 330 offices in 83 countries.
